10 simple ideas to eliminate racism

- Don't laugh at racist, sexist, ageist, homophobic and other stereotypical jokes or assumptions.
- Make an effort to get to know people different than you.
- Learn about other people and their culture.
- Think before you speak.
- Be a role model.
- Don't make assumptions.
- Explore the unfamiliar.
- Work on projects with members of groups different from your own.
- Be a proactive parent.
- Support anti-prejudice and anti-racist organizations.
